Dear Union Family,

The Twin Cities Labor Chorus has been staying strong through song since 2009, raising our voices to support and sustain the labor movement. We value and rely upon the support of our Union brothers and sisters to continue our efforts.

Our repertoire includes both traditional labor anthems and contemporary works. The highlight of our 2022-23 season was participating in the unveiling of the Nellie Stone Johnson statue at the State Capitol, performing a song with lyrics by one of our gifted singer-songwriter members.

We hope that we can count on your organization to help reach our modest funding goals for the 2024 season. Suggested minimum donation is \$120 for a large organization (council or federation of Locals) or \$60 for smaller Locals. Please send donations to: **Twin Cities Labor Chorus, attn. Dave List, P.O. Box 40095, St Paul, MN 55104.** Your generosity will be promptly acknowledged with a receipt for tax purposes and our sincere thanks.

Additionally, we encourage members of your Local, both current and retired, to join their voices with ours. All are welcome! We're a people's chorus; no audition or ability to read music is required. We rehearse twice monthly at the AFL/CIO offices at 175 Aurora Ave. (near the State Capitol), on 2<sup>nd</sup> and 4<sup>th</sup> Tuesdays from 5:30-7:00 pm. We'd also love to sing at your next meeting or social event.

Building solidarity through song is our contribution to the resurgent labor movement. With your help, we will continue making an impact and a joyful union sound.

In solidarity,

Mike Nelson  
Director

Dave List  
Treasurer
